Due to the large amount of interest in the 2015 Auto Expo it would be greatly appreciated this year if all pre entries could be paid for upon return, to assist with quicker entry and set-up of the event.

If you cannot pay prior to the event and you are paying on arrival please ensure that you still go to the pre entry line.

We are asking that payment be made prior to the event for a quick and hassle free process. No need to wait for invoices or on the day entries to be filled out this will allow you more time to set-up your vehicle prior to the start time.

There will be 2 separate entry lanes this year to assist in speeding up the entry process. One lane will be for pre entries and the other for on the day entries. This will be sign posted to ensure clarity upon arrival to the Auto Expo.

We thank you for your cooperation with this and hope that you have an enjoyable time at this year's expo.

Important Note:

Due to the change of venue this year, there will be an indoor site available but only for a certain number of vehicles. If you wish to be up for selection you will be required to submit a minimum of 4 photos (at least one interior) and a list of any awards that your vehicle has won if any.

You **MUST** have your entries in by midnight Sunday August 7th to be up for selection.

Kind Regards

R.M.C Events Committee
